Re: *Lazo v. Falcone et al.*
No. 22 Civ. 10587 (JHR) (SN)

Dear Judge Rearden:

We represent Plaintiff Carmen Lazo in the above matter and submit this letter-motion jointly with counsel for Defendants pursuant to the Court's Individual Rule 2(E) to request a three-week adjournment, until July 19, 2023, of the Initial Pretrial Conference currently scheduled for June 28, 2023, and a corresponding three-week adjournment, until July 12, 2023, of the deadline to file a pre-conference letter and Case Management Plan established in the Court's April 25, 2023 Order (ECF No. 17). The Parties make this request because they are scheduled to appear before Magistrate Judge Netburn for a settlement conference on June 23, 2023, and therefore seek to adjourn the current June 21 deadline to file the pre-conference letter and Case Management Plan in order to preserve resources in the event that they are able to resolve this matter during the settlement conference. This is the Parties' first request for an adjournment of the Initial Pretrial Conference and corresponding deadlines. An adjournment will not affect any other deadlines in this case.

We thank the Court for its consideration.

Respectfully submitted,

Galen C. Baynes
